Friends of the Israel Defense Forces (FIDF) is a non-political, non-military organization that provides for wellbeing of the soldiers of the Israel Defense Forces (IDF), veterans and family members. We are the single organization authorized to represent the IDF across the United States. FIDF is committed to providing these soldiers with love, support, and care to ease the burden they carry on behalf of the Jewish community worldwide. FIDF's programs address the soldiers' educational, financial, and emotional needs, fundamentally changing their lives and providing them with opportunities for the future.
